Comments:

Please note opportunity is also shared via C-Vent. The group requests a tiered rate structure with a higher rate for ROH (regular members) and a lower rate offered for the Staff block (professional members) that is equal to or close to the government per diem rate.

Key Decision Factors include:

*Location/Destination - Proximity to a major airport, offsite dining, shopping, activities, event venues and local points of interest

*Property Quality and On-site Amenities

* Nice Weather
