NOTES

Meeting Requirements:

The Glenn Family requests a hospitality suite or small multipurpose meeting room for the duration of their stay.

Comments:

The group requests the block in July 2023. They prefer to arrive after July 4, 2023, but will consider all dates following within the month of July. They will not consider August dates because several families have young students that begin their school year in early August.

Action Requested:

Please send all correspondence to Karen via e-mail and copy Julia Smyth-Young on correspondence.

The family requests properties with flexible room options and a restaurant and recreational facilities onsite. They will consider all options including time-share resorts.
